

# AQA FOUNDATION GCSE MATHS EXAMINATION BOARD COVERAGE

TOPIC	SUB HEADING - (Learners Cloud video names are generic to all UK GCSE examination boards so may vary slightly)
<b>SECTION ONE - NUMBER</b>	Types of number and BIDMAS (BODMAS)
	Real-life Problems
	Multiplying and Dividing by 10, 100, etc
	Multiplying and Dividing Whole Numbers
	Multiplying and Dividing with Decimals
	Negative Numbers
	Prime Numbers
	Multiples, Factors and Prime Factors
	LCM and HCF
	Fractions without a Calculator
	Fraction Problems
	Fractions, Decimals and Percentages
	Rounding Numbers
	Estimating
	Rounding Errors
	Powers
	Roots
	Standard Form
<b>SECTION TWO - ALGEBRA</b>	Algebra - Simplifying
	Algebra - Multiplying and Dividing
	Multiplying Double Brackets
	Factorising
	Solving Equations
	Expressions, Formula and Functions
	Formula and Equations
	Rearranging Formulas
	Sequences

TOPIC	SUB HEADING - (Learners Cloud video names are generic to all UK GCSE examination boards so may vary slightly)
	Inequalities
	Quadratic Equations
	Simultaneous Equations
	Proof
<b>SECTION THREE - GRAPHS</b>	Coordinates and Midpoints
	Straight-line Graphs
	Drawing Straight-line Graphs
	Straight-line Graphs - Gradients
	Straight-line Graphs - $y = mx + c$
	Using $y = mx + c$
	Quadratic Graphs
	Harder Graphs
	Solving Equations Using Graphs
	Distance - Time Graphs
	Real-Life Graphs
<b>SECTION FOUR - RATIO, PROPORTION AND RATES OF CHANGE</b>	Ratios
	Direct Proportion Problems
	Inverse Proportion Problems
	Percentages
	Difficult Percentage Problems
	Compound Growth and Decay
	Unit Conversions
	Area and Volume Conversions
	Time Intervals
	Speed, Density and Pressure
<b>SECTION FIVE - SHAPES AND AREA</b>	Properties of 2D Shapes
	Congruent Shapes
	Similar Shapes
	The Four Transformations
	Perimeter and Area
	Perimeter and Area - Circles
	3D Shapes
	3D Shapes - Surface Area
	3D Shapes - Volume

TOPIC	SUB HEADING - (Learners Cloud video names are generic to all UK GCSE examination boards so may vary slightly)
	Difficult Volume problems
	Projections
<b>SECTION SIX - ANGLES AND GEOMETRY</b>	Angle Basics
	Five Angle Rules
	Parallel Lines
	Geometry Problems
	Polygons
	Triangle Construction
	Loci and Construction
	Bearings
	Maps and Scale Drawings
	Pythagoras' Theorem
	Trigonometry - Sin, Cos, Tan
	Trigonometry - Common Values
	Vectors
<b>SECTION SEVEN - PROBABILITY AND STATISTICS</b>	Probability Basics
	More Probability
	The AND/OR Rules
	Tree Diagrams
	Sets and Venn Diagrams
	Sampling and Bias
	Collecting Data
	Mean, Median, Mode and Range
	Simple Charts and Graphs
	Pie Charts
	Scatter Graphs
	Frequency Tables - Finding Averages
	Grouped Frequency Tables
	Interpreting Data
	Comparing Data Sets
